Hello

I can confirm 894129 is used as password with recent measuring equipment, I use this frequently with our ESR measuring receiver @ QRL.

I Dirk,

Thanks for the feedback, and I will try this, but can you confirm that this is a number in Germany, and what is the area code? (i.e. +49 ?? 894129)

Regards
Nick

Hi,

Can anybody help me with this?

I have a defect SMU200A, and am looking for the level 1 to 5 service passwords.
Does anybody have these?

Thanks
